

**The courage to aim high.
The freedom we need to achieve.
That's Messer. That's our way.**

Are you not easily satisfied? Do you never want to stop learning? Would you thrive on being given the freedom you need to achieve, whilst focusing on the essentials? Are you looking for an open dialogue with colleagues? You'll find the space you need at Messer.

For our Engineering team in **Krefeld** (near Düsseldorf, Germany) respectively for a new branch to be established in the **Munich area** we are looking for a

Electrical engineer (m/f/d)

Reference number: 34/2023

The engineering department of our company handles the development and construction of plants for the production of technical and medical gases like oxygen, nitrogen and special gases as well as "green hydrogen". The recovery of CO₂ is also one of our fields of activity.

This involves projects of various sizes on an industrial scale with investment volumes between 1 and €100 million. Due to the steady growth of our business and the expansion of our portfolio, the position is newly created.

Your responsibilities:

- Basic engineering and detail engineering for industrial plants, mainly in the field of power supply (LV/MV/HV).
 - Calculation, design and specification of motors, transformers, switchgear and cable systems
 - Preparation and evaluation of single-line diagrams
 - Installation coordination and supervision as well as commissioning of electrical equipment
 - Technical support of the national companies in case of problems and malfunctions of the electrical facilities
- Basic Engineering und Detail Engineering für Industrieanlagen, vornehmlich im Bereich der Stromversorgung (LV/MV/HV)

Ihr Profil:

You have a successfully completed engineering degree in the field of electrical engineering or comparable training as a technician/master.

Furthermore you have:

- Business fluency in English and good written and spoken German skills
- Willingness to travel worldwide (approx. 20%)
- Ability to work in a team and independently with international teams
- Schengen-area work permit/visa or citizenship

Why us?

We offer an interesting and challenging position in a great team within an internationally successful and economically strong and stable company. You work in a professional, motivated team that appreciates commitment and initiative and supports your development and training. A permanent contract, attractive salary and fringe benefits, **possibility for mobile working, 30 days annual leave, company pension scheme, free parking as well as contributions toward public transport tickets and company bikes, cafeteria** and modern offices in an attractive location are part of this offer.

Your application

We kindly ask you to send your complete application documents **in English or German**, indicating the above-mentioned position/ref.no. and your earliest possible starting date by e-mail to:
